Rising to a breathtaking height of 421 metres, Menara Kuala Lumpur is Asia's tallest communication tower. Standing boldly as Kuala Lumpur's best known landmark, Menara Kuala Lumpur is the sixth tallest telecommunications tower in the world.

Menara Kuala Lumpur stands proudly as the bol of Kuala Lumpur's, 'The Garden City of Light'.

Menara Kuala Lumpur has a lot to offer from breathtaking views to top-class activities and events. It definitely has the right ingredients to please you. Come and see what's it's like standing 276 metres above ground level for a once-in-a-lifetime experience with your family and friends!

Details of the Tower

Menara Kuala Lumpur was completed in May 1996 and was opened to the public on 23 July 1996. It was officially launched 1 October 1996 by Bung Tunku Mahathir Mohamad, former Prime Minister of Malaysia.

Kuala Lumpur Skyline View @ 276m

Experience the lives of metropolitan city, breathtaking sunset and unforgettable night views at the height of 276 metres above ground level. You can do so at the comfort of our Observation Deck with an audio tour available in 11 languages.

Opening Hours:
9:30am until 9:30pm - 365 days a year

The system utilizes a first-of-its-kind in the world combination of 240 hourly flashers and 8 programmable sky towers, enhancing not only the Tower but also the panoramic KL night skyline with vibrant colors. Bestling its title as the 'Jewel In The Sky', Menara Kuala Lumpur is also the first tower in the world to be installed with such permanent light.

Our Attractions

Malaysia Cultural Village

Set in a 21,840 sq feet area of the KL Tower Terrace, the Malaysia Cultural Village offers visitors the rare opportunity of a walk-through Malaysia's unique replicas of traditional 'kampung' houses in a village setting and front row view of Malaysia's cultural performances and other events that depicts Malaysia's multi-ethnic, multi-cultural and multi-lingual society, all under one roof.

At Malaysia Cultural Village, you will be entertained and thrilled by our spectacular traditional cultural performances and games. Experience it all at the Malaysia Cultural Village!

Stay Close to Nature

Surrounding the tower is the Bukit Nanas Forest Reserve, an area of 9.37 hectares located in the heart of Kuala Lumpur City Centre. It poses as the first gazetted forest reserve in the country. The nature surroundings of Bukit Nanas were caser for during the construction of Menara Kuala Lumpur to ensure balance in development and conservation of the environment.

10-year-old Jelutong tree (Dyera Costiliana) was preserved, where a fencing wall was constructed to protect the tree.

MUZIUM TELEKOM

UZIUM TELEKOM is a one-stop-community-centre-profiled with all ages – from school children to businessmen, from laymen to professionals and from leisure seekers to educational researches.

His unique two-storey building of Neo Classical Greek architecture stands along Kuala Lumpur's skyscrapers at the junction of Jalan Raja Chulan and Jalan Green. It was originally built in 1928 to house the Central Battery and the Central Telephone Exchange and in 1985 was gazetted for conservation as part of the national heritage.

Apart from housing records of the nation's telecommunications history, the museum currently features state-of-the-art theatre, event and conference facilities, a wireless broadband-equipped Bistro and a resource centre. Visitors can also make International Direct Dialing (IDD) calls and access the Internet at our Call and Surf service centre or pay your bills at TMpoint Uzium Telekom.

UZIUM TELEKOM is open daily from 9.30am - 5pm and a mere 5 minutes walk from Masjid Jamek Titiwangsa Station. Admission is FREE.
